

Trotting Stallion Nomination Form 2020/21 Breeding Season

IMPORTANT – NSW BASED STALLIONS NEED TO BE NOMINATED

I wish to make the following stallion(s) eligible for the NSW Breeding Schemes.

Nominated stallions will be eligible for NSW Owners Bonus Scheme certificate redemption against their service fees in the 2020/21 breeding season.

Stallion nominators are eligible for 5% of Race Series prizemoney won by the progeny of their nominated sire in Trot NSW Finals (foals born 2021/22).

I understand that for Stallions not Registered by HRNSW and not physically standing in NSW (excluding Northern Hemisphere domiciled Stallions whose semen is stored in NSW and distributed from NSW) that a stallion fee of \$110 per foal will be payable by the stallion nominator to HRNSW for any Trot NSW eligible foals born in 2021/22 that are either registered in NSW, or registered elsewhere but nominated for the Trot NSW Series. These fees will be invoiced prior to 1st September, 2022.
